Floor Mats

Doritex is the premier provider of entrance mat service in the western New York area. Properly maintained mats stop dirt and moisture at the door, save wear & tear on your floors and carpeting, absorb moisture and attract dirt and dust. Most important, keep your facility safe. Clean floor mats pick up dirt and dust and water much more than dirty mats, not to mention that they look attractive.

Floor Mop Products/Services

Our dry mops are designed so they won't fray or unravel, they are effective for normal industrial use, come pre-laundered and ready to use and are date coded to monitor product life. Our wet mops have built-in anti-microbial protection that prevents mold, mildew and odor. They are pre-laundered and pre-shrunk. Looped-end construction eliminates tangling and reduces wear.
